OLD BUSINESS:

i. Additional Appropriation Ordinance 2024-51I: Legal Expenses - Commissioners

Marie Theisz asked Commissioner Mark Clinkenbeard if they were getting close to being finished. Mr. Clinkenbeard said they had not had an update since the Sunshine Meeting. Marie Theisz made a motion to approve Additional Appropriation 2024-51I. Vicki Weger asked when it was anticipated that this would be completed. Mr. Clinkenbeard said he hoped it would be in the next couple of weeks. He said they could not pay their attorney fees if they did not get this additional appropriation. Nancy Allsup asked if it would be less than the \$75,000. Mr. Clinkenbeard said he hoped it would be less and thinks it might be closer to \$50,000 but there is really no way to anticipate. He believes that next year legal fees should return to normal. Nancy Allsup seconded the motion. Upon a roll call vote, voting was as follows: Aaron Loudermilk – nay; Nancy Allsup – aye; Vicki Weger – aye; David Thompson – nay; Travis Norris – nay; Marie Theisz – aye; and Todd Thacker – nay. With a 4-3 vote nay, the motion failed.

NEW BUSINESS:

Resolutions and Ordinances other than appropriations.

i. Resolution 2024-07 –Tax Abatement for Personal Property – ZINKPOWER-Terre Haute, LLC

Attorney Eddie Felling, on behalf of ZINKPOWER, briefly reviewed the traditional 10-year real and personal property tax abatements being sought. Marie Theisz asked about skills needed for the jobs and that was briefly discussed. Nancy Allsup said while she appreciated the information provided, she felt like she needed to see some sort of policy put in place by the Council before she could vote on any more abatements. Marie Theisz said she hoped to have a meeting in the next week or so to come up with something for the Council to work with along those lines. She did feel like this abatement being considered tonight filled a need for development in northern Vigo County. Aaron Loudermilk said he agreed with Councilwoman Allsup and he felt he could not do anything with abatements going forward until a scoring system has been put into place. There was a lengthy discussion. Steve Witt with the Department of Redevelopment made several comments. He noted that this company has not yet closed on their property. Businesses cannot sit around and wait on the government to decide what to do and waiting could put this project in jeopardy. Attorney Felling said that the company is in the process of bidding the project out. While he appreciates and understands the issue of getting a scoring process in place, the abatement won't apply if the project starts before the abatement process is approved. The company will have 2 choices: either start the project because they need to take advantage of construction time this year, or completely pull out of this project. This has been strategically brought so that construction can be started immediately. He also pointed out that industry doesn't stop because we don't have a scoring process. This sends a message that the community is not friendly towards abatements and can turn business away from our community. Discussion continued. Marie Theisz made a motion to approve Resolution 2024-07 Tax Abatement for Personal Property. Vicki Weger seconded the motion. Before a vote was taken, Vicki Weger said she had checked into the background of the company and she believed it would be an asset to the planned area for location and would be a benefit in many ways. Upon a roll call vote, voting was as follows: Aaron Loudermilk – nay; Nancy Allsup – nay; Vicki Weger – aye; David Thompson – nay; Travis Norris – aye; Marie Theisz – aye; Todd Thacker – aye. With a 4-3 vote aye, the motion carried.

ii. Resolution 2024-08 –Tax Abatement for Real Property – ZINKPOWER-Terre Haute, LLC

This was discussed in the prior paragraph. Council had no further comments or questions. Vicki Weger made a motion to approve Resolution 2024-08 Tax Abatement for Real Property. Marie Theisz seconded the motion. Upon a roll call vote, voting was as follows: Aaron Loudermilk – nay; Nancy Allsup – nay; Vicki Weger – aye; David Thompson – nay; Travis Norris – aye; Marie Theisz – aye; Todd Thacker – aye. With a 4-3 vote aye, the motion carried.

Ordinances relating to appropriations.

**i. Additional Appropriation Ordinance 2024-53: Lost Creek
Fire Protection District – Special Cum Fire Fund Capital
Outlays**

This request was briefly reviewed. They are looking for an additional \$40,000 to install a new station generator. They did reach out to One Planet Solar Wind for information about solar power panels for the firehouse. They will actually do the grant process for the district. However, a generator is really the only way to have reliable emergency backup power. Council had no further questions. Aaron Loudermilk made a motion to approve Additional Appropriation Ordinance 2024-53. Vicki Weger seconded the motion. Upon a voice vote of 7-0, the motion unanimously passed.

**ii. Additional Appropriation 2024-54: Local Health Maintenance
– Peer Recovery Coach and School Health Liaison**

This matter had been discussed at the Sunshine Meeting. These positions will be paid out of Local Health Maintenance from July through the end of the year and then go to the Health First Indiana budget. Council had no further questions. vii. Additional Appropriation 2024-57: ARPA Grant Fund – Pool Renovation

Commissioner Mark Clinkenbeard withdrew this request.

viii. Additional Appropriation 2024-58: ARPA Grant Fund – Sheriff’s Department Insurance Fund

This matter had been fully discussed at the Sunshine Meeting. President Thacker reiterated that this would just be initial seed money for this funding. There would need to be an ordinance passed by the Commissioners and it would set forth the operational parameters of this fund and then annually funded by the Council. Aaron Loudermilk asked if a list had been made of any other agencies in Indiana that have this benefit. Officer Derek Fell was unaware of any list. There was a lengthy discussion. Vicki Weger made a motion to pass ARPA Grant Fund 8950 Sheriff’s Department Insurance Fund seed money in the amount of \$350,000. Nancy Allsup seconded the motion. Todd Thacker clarified that the grant fund number was given in the motion but it is for Additional Appropriation 2024-58. Upon a roll call vote, voting was as follows: Aaron Loudermilk – aye; Nancy Allsup – aye; Vicki Weger – aye; David Thompson – aye; Travis Norris – aye; Marie Theisz – aye; Todd Thacker – aye. With a vote of 7-0, the motion was unanimously approved.

ix. Additional Appropriation 2024-59: ARPA Grant Fund – Riley Fire Protection District through and including Additional Appropriation 2024-67 – Shepardsville Fire Protection District

With the next nine requests being ARPA requests and identical except for the name of the Fire Protection District, Council Attorney Michael Wright said one motion to include all the requests would suffice. Council had no further questions. Marie Theisz made a motion to approve Additional Appropriations 2024-59 through 2024-67. David

Thompson seconded the motion. Upon a voice vote of 7-0, the motion was unanimously approved.

xix. Salary Ordinance 2024-69A: Courts – Amend Staff Salaries

Judge Sarah Mullican reviewed some statistics regarding Vigo County caseloads and their increasing numbers along with duties and responsibilities of court reporters. Vicki Weger said as the Chairman of the Budget Committee, this was important and needed to

be done right. Ms. Weger made a motion to move this matter to the Budget Committee since meetings are due to start shortly. She thinks raises should continue to be addressed through the Budget Committee. There was discussion about what would happen if this went to a vote and got defeated and options. President Thacker said there was a motion on the floor and it needed to be resolved before further discussion about what ifs. Nancy Allsup said she believes it needs looked at but would not want to vote on it at this meeting. She seconded the motion. Lengthy discussion then resumed with several Council members speaking on this matter. WHEREAS, a Petition for 10 year personal property tax abatement has been filed with the Vigo County Council (hereinafter "Council") requesting that the property described therein be designated as Economic Revitalization Area for purposes of personal property tax abatement; and

WHEREAS, ZINKPOWER-Terre Haute, LLC (hereinafter the "Petitioner,") has submitted a Statement of Benefits and provided all information and documentation necessary for the Council to make an informed decision, said information includes a description of the real property on which the project will be located, a copy of which is attached hereto as Exhibit A (the "Subject Property"), and the personal property to be abated.

WHEREAS, Petitioner has represented and presented evidence that in connection with the project, Petitioner expects to create approximately 90 new fulltime jobs with an annual payroll of Five Million Four Hundred Thousand Dollars and 00/100 (\$5,400,000.00) along with benefits of Six Hundred Thousand Dollars and 00/100 (\$600,000.00). Petitioner has further represented and presented evidence that the cost of this project will be approximately \$21,500,000.00 for personal property improvements and \$25,700,000.00 for real property improvements. It is also anticipated that this project will require approximately one hundred (100) construction jobs over approximately 18 months.

WHEREAS, the Council is authorized under the provisions of I.C. 6-1.1-12.1-1 et. seq. to designate areas of the County as economic revitalization areas for the purpose of tax abatement; and

WHEREAS, the Council has found the Subject Property to be located in an area where facilities that are technologically, economically, or energy obsolete are located and where the obsolescence may lead to a decline in employment and tax revenues, and has become undesirable for or impossible of normal development and occupancy because of a lack of development, deterioration of improvements, character of occupancy, age, obsolescence, substandard buildings and other factors which prevent normal development or use;

NOW, THEREFORE, IT IS FOUND, DETERMINED AND RESOLVED by the Council that:

1. The Petitioner's estimate of the cost of new manufacturing equipment is reasonable for manufacturing equipment of that type in view of current technologies.
2. The Petitioner's estimate of the number of individuals who will be employed and retained, and the benefits thereby, can reasonably be expected to result from the project and installation of new manufacturing equipment.

3. The Petitioner's estimate of the annual salaries or wages of the individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project and the installation of the new manufacturing equipment.

4. That the benefits for which information has been requested can reasonably be expected to result from the installation of the new manufacturing equipment.

5. Based upon: (1) the Petitioner's total investment in real and personal property; (2) the number of new full-time equivalent jobs created or retained; (3) the average wage of the new employees compared to the State minimum wage; and (4) the infrastructure requirements for Petitioner's investment and the totality of the benefits of the proposed project and installation of the new manufacturing equipment are sufficient to justify personal property tax abatement for a 10 year deduction period, in accord with the attached Deduction Schedule and each such deduction should be, and they are hereby allowed in accord with the attached Abatement Schedule.

6. That the Council has considered the Petitioner's total investment in real and personal property, the number of new full-time equivalent jobs created by the project, the average wage of the new employees compared to the State minimum wage and the infrastructure requirements for Petitioner's investments and, based on such factors, has determined that the petition for designating the Subject Property as an Economic Revitalization Area for the purposes of 10 year personal property tax abatement and the Statement of Benefits is hereby approved and the Subject Property is hereby designated as an Economic Revitalization Area pursuant to I.C.6-1.1-12.1-1 et. seq., and Petitioner is entitled to the 10-year personal property tax abatement provided therein for the proposed project in accord with the Abatement Schedule attached as Exhibit B.

7. That notice hereof should be published according to law stating the adoption and substance hereof, that a copy of the description of the affected area is available for inspection in the County Assessor's Office and stating a date on which the Council will hear and receive remonstrances and objections and take final action, all as required by law.

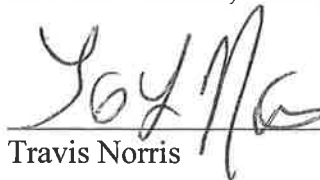

8. That this Resolution is supplementary to and in addition to any prior resolutions.

REGARDING RESOLUTION No. 2024-07, AS AMENDED
(Personal Property)**

WHEREAS, a copy of the Notice and Statement of Benefits was sent to all taxing units with authority to levy property taxes in the area where the Economic Revitalization Area is located and filed with the County Assessor; and

WHEREAS, said matter is before the Council for final action pursuant to Indiana Law; and

WHEREAS, the Council has received and examined, prior to such hearing, a Statement of Benefits on the forms prescribed by the Department of Local Government Finance and has found and does find:

1. The Petitioner's estimate of the cost of new manufacturing equipment is reasonable for manufacturing equipment of that type in view of current technologies.
2. The Petitioner's estimate of the number of individuals who will be employed and retained, and the benefits thereby, can reasonably be expected to result from the project and installation of new manufacturing equipment.
3. The Petitioner's estimate of the annual salaries or wages and all benefits of the individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project and the installation of the new manufacturing equipment.
4. That the benefits about which information has been requested can reasonably be expected to result from the installation of the new manufacturing equipment.
5. Based upon: (1) the Petitioner's total investment in real and personal property; (2) the number of new full-time equivalent jobs created or retained; (3) the average wage of the new employees compared to the State minimum wage; and (4) the infrastructure requirements for Petitioner's investment and the totality of the benefits of the proposed project and installation of the new manufacturing equipment are sufficient to justify personal property tax abatement for a 10 year deduction period, in accord with the attached Deduction Schedule and each such deduction should be, and they are hereby, allowed in accord with the attached Abatement Schedule.

6. That the Council has considered the Petitioner's total investment in real and personal property, the number of new full-time equivalent jobs created by the project, the average wage of the new employees compared to the State minimum wage and the infrastructure requirements for the Petitioner's investment and, based on such factors, has determined that the petition for designating the Subject Property as an Economic Revitalization Area for the purposes of 10 year personal property tax abatement and the Statement of Benefits copies of which were submitted with the petitions are hereby approved and the Subject Property is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 et. seq., and Petitioner is entitled to the 10-year personal property tax abatement provided therein for the proposed project in accord with the schedule attached hereto.

3. That this Resolution shall also serve as the Resolution required by I.C. 6-1.1-12.1-2.5 (k) approving a tax abatement in an area previously designated as an allocation area by the Vigo County Council.

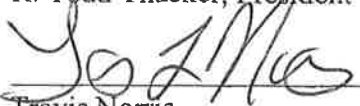

4. That said Resolution supplements any other designation of the Subject Property as an Economic Revitalization Area or similar designation.

RESOLUTION NO. 2024-08, AS AMENDED

A Resolution of the Vigo County Council
Designation an Area Within Vigo County, Indiana as an
Economic Revitalization Area
For the Purpose of a Real Property Tax Abatement

WHEREAS, a Petition for 10 year real property tax abatement has been filed with the Vigo County Council (hereinafter "Council") requesting that the property described therein be designated as Economic Revitalization Area for purposes of real property tax abatement; and

WHEREAS, ZINKPOWER-Terre Haute, LLC (hereinafter the "Petitioner,") has submitted a Statement of Benefits and provided all information and documentation necessary for the Council to make an informed decision, said information includes a description of the real property on which the project is to be located, which is more particularly described in Exhibit A (the "Subject Property").

WHEREAS, Petitioner has represented and presented evidence that in connection with the project, Petitioner expects to create approximately 90 new fulltime jobs with an annual payroll of Five Million Four Hundred Thousand Dollars and 00/100 (\$5,400,000.00) along with benefits of Six Hundred Thousand Dollars and 00/100 (\$600,000.00). Petitioner has further represented and presented evidence that the cost of this project will be approximately \$21,500,000.00 for personal property improvements and \$25,700,000.00 for real property improvements. It is also anticipated that this project will require approximately one hundred (100) construction jobs over approximately 18 months.

WHEREAS, the Council is authorized under the provisions of I.C. 6-1.1-12.1-1 et. seq. to designate areas of the County as economic revitalization areas for the purpose of tax abatement; and

WHEREAS, the Council has considered the petition and Statement of Benefits and has conducted a complete and proper investigation of the Subject Property and neighborhood to determine that the area qualifies as an economic revitalization area under Indiana statutes; and

WHEREAS, the Council has found the Subject Property to be an area where facilities that are technologically, economically, or energy obsolete are located and where the obsolescence may lead to a decline in employment and tax revenues and has become undesirable for or impossible of normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements, character of occupancy, age, obsolescence, substandard buildings and other factors which prevent normal development of use;

NOW, THEREFORE, IT IS FOUND, DETERMINED AND RESOLVED by the Council that:

1. The Petitioner's estimate of the value of the redevelopment and rehabilitation and the project to be constructed on the Subject Property is reasonable for projects of that nature in order to maintain, expand, update, and improve opportunities and capacity for manufacturing.

2. The Petitioner's estimate of the number of individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project, and redevelopment and rehabilitation.

3. The Petitioner's estimate of the annual salaries or wages of the individuals who will be employed and retained, and the benefit thereby, can reasonably be expected to result from the project and the redevelopment and rehabilitation.

4. That the benefits, for which information has been requested, can be expected to result from the project and the redevelopment and rehabilitation.

5. The totality of the benefits of the proposed redevelopment and rehabilitation can reasonably be expected to result from the project and are sufficient to justify a 10-year real property tax deduction from assessed valuation under Indiana statutes, in accord with the attached Deduction Schedule and each such deduction should be, and they are hereby, allowed.

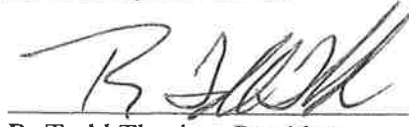

6. That the Council has considered the Petitioner's total investment in real and personal property, the number of new full-time equivalent jobs created by the Project, the average wage of the new employees compared to the State minimum wage, and the infrastructure requirements for Petitioner's investment and, based on such factors, has determined that the petition for designating the Subject Property as an economic revitalization area for the purposes of 10-year real property tax abatement and the Statement of Benefits is hereby approved and the Subject Property is hereby designated as an Economic Revitalization Area pursuant to I.C.6-1.1-12.1-1 et. seq., and Petitioner is entitled to the 10-year real property tax abatement provided therein for the proposed redevelopment and rehabilitation in accord with the Abatement Schedule hereunto attached as Exhibit B.

7. That notice hereof should be published according to law stating the adoption and substance hereof, that a copy of the description of the affected area is available for inspection in the County Assessor's Office and stating a date on which the Council will hear and receive remonstrances and objections and take final action, all as required by law.

8. That this Resolution is supplementary to and in addition to any prior resolutions.

- F. For a statement of benefits approved after June 30, 2013, did this designating body adopt an abatement schedule per IC 6-1.1-12.1-17? Yes No
 If yes, attach a copy of the abatement schedule to this form.
 If no, the designating body is required to establish an abatement schedule before the deduction can be determined.

We have also reviewed the information contained in the statement of benefits and find that the estimates and expectations are reasonable and have determined that the totality of benefits is sufficient to justify the deduction described above.

* If the designating body limits the time period during which an area is an economic revitalization area, that limitation does not limit the length of time a taxpayer is entitled to receive a deduction to a number of years that is less than the number of years designated under IC 6-1.1-12.1-17.

- A. For residentially distressed areas where the Form SB-1/Real Property was approved prior to July 1, 2013, the deductions established in IC 6-1.1-12.1-4.1 remain in effect. The deduction period may not exceed five (5) years. For a Form SB-1/Real Property that is approved after June 30, 2013, the designating body is required to establish an abatement schedule for each deduction allowed. Except as provided in IC 6-1.1-12.1-18, the deduction period may not exceed ten (10) years. (See IC 6-1.1-12.1-17 below.)
- B. For the redevelopment or rehabilitation of real property where the Form SB-1/Real Property was approved prior to July 1, 2013, the abatement schedule approved by the designating body remains in effect. For a Form SB-1/Real Property that is approved after June 30, 2013, the designating body is required to establish an abatement schedule for each deduction allowed. (See IC 6-1.1-12.1-17 below.)

**IC 6-1.1-12.1-17
Abatement schedules**

Sec. 17. (a) A designating body may provide to a business that is established in or relocated to a revitalization area and that receives a deduction under section 4 or 4.5 of this chapter an abatement schedule based on the following factors:

- (1) The total amount of the taxpayer's investment in real and personal property.
- (2) The number of new full-time equivalent jobs created.
- (3) The average wage of the new employees compared to the state minimum wage.
- (4) The infrastructure requirements for the taxpayer's investment.

(b) This subsection applies to a statement of benefits approved after June 30, 2013. A designating body shall establish an abatement schedule for each deduction allowed under this chapter. An abatement schedule must specify the percentage amount of the deduction for each year of the deduction. Except as provided in IC 6-1.1-12.1-18, an abatement schedule may not exceed ten (10) years.

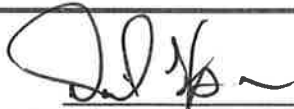

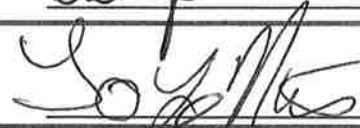

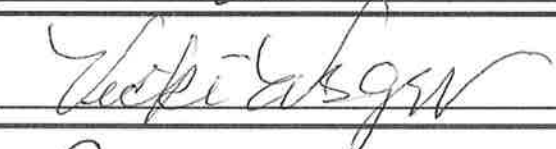

(c) An abatement schedule approved for a particular taxpayer before July 1, 2013, remains in effect until the abatement schedule expires under the terms of the resolution approving the taxpayer's statement of benefits.
